Microsoft Office | Productivity

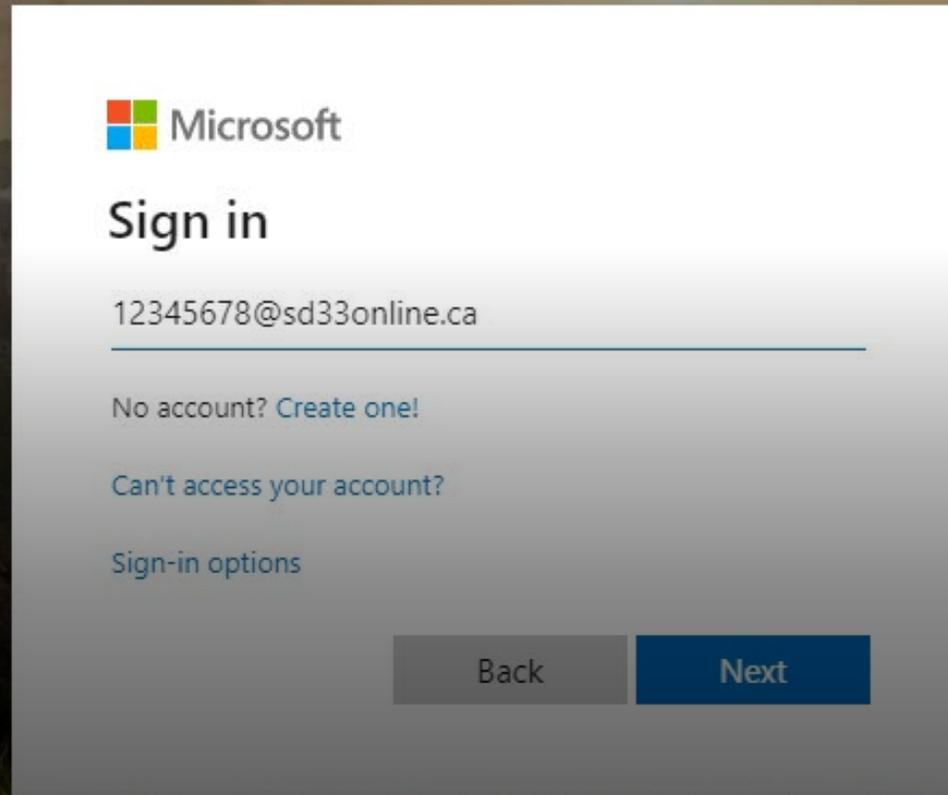

See Office 365 - Small business -

Option 1: Click “ Office 365 login”

Option 2: If you click the main link, you can also find the “sign in” button. Do not click “Buy Office 365” because the district has already paid for your child’s account.

Step 2:

A screenshot of the Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed. A text input field contains the email address "12345678@sd33online.ca". Below the input field are three links: "No account? Create one!", "Can't access your account?", and "Sign-in options". At the bottom right, there are two buttons: "Back" (disabled) and "Next" (active).

To access your child's account, you must enter their student number followed by "@sd33online.ca"

Step 3:

If you entered the login right, then a Chilliwack School District window should pop up and ask you for a password.

The password is the same password your child uses to login to the computers at school.

← 1561377@sd33online.ca

Enter password

Sign in

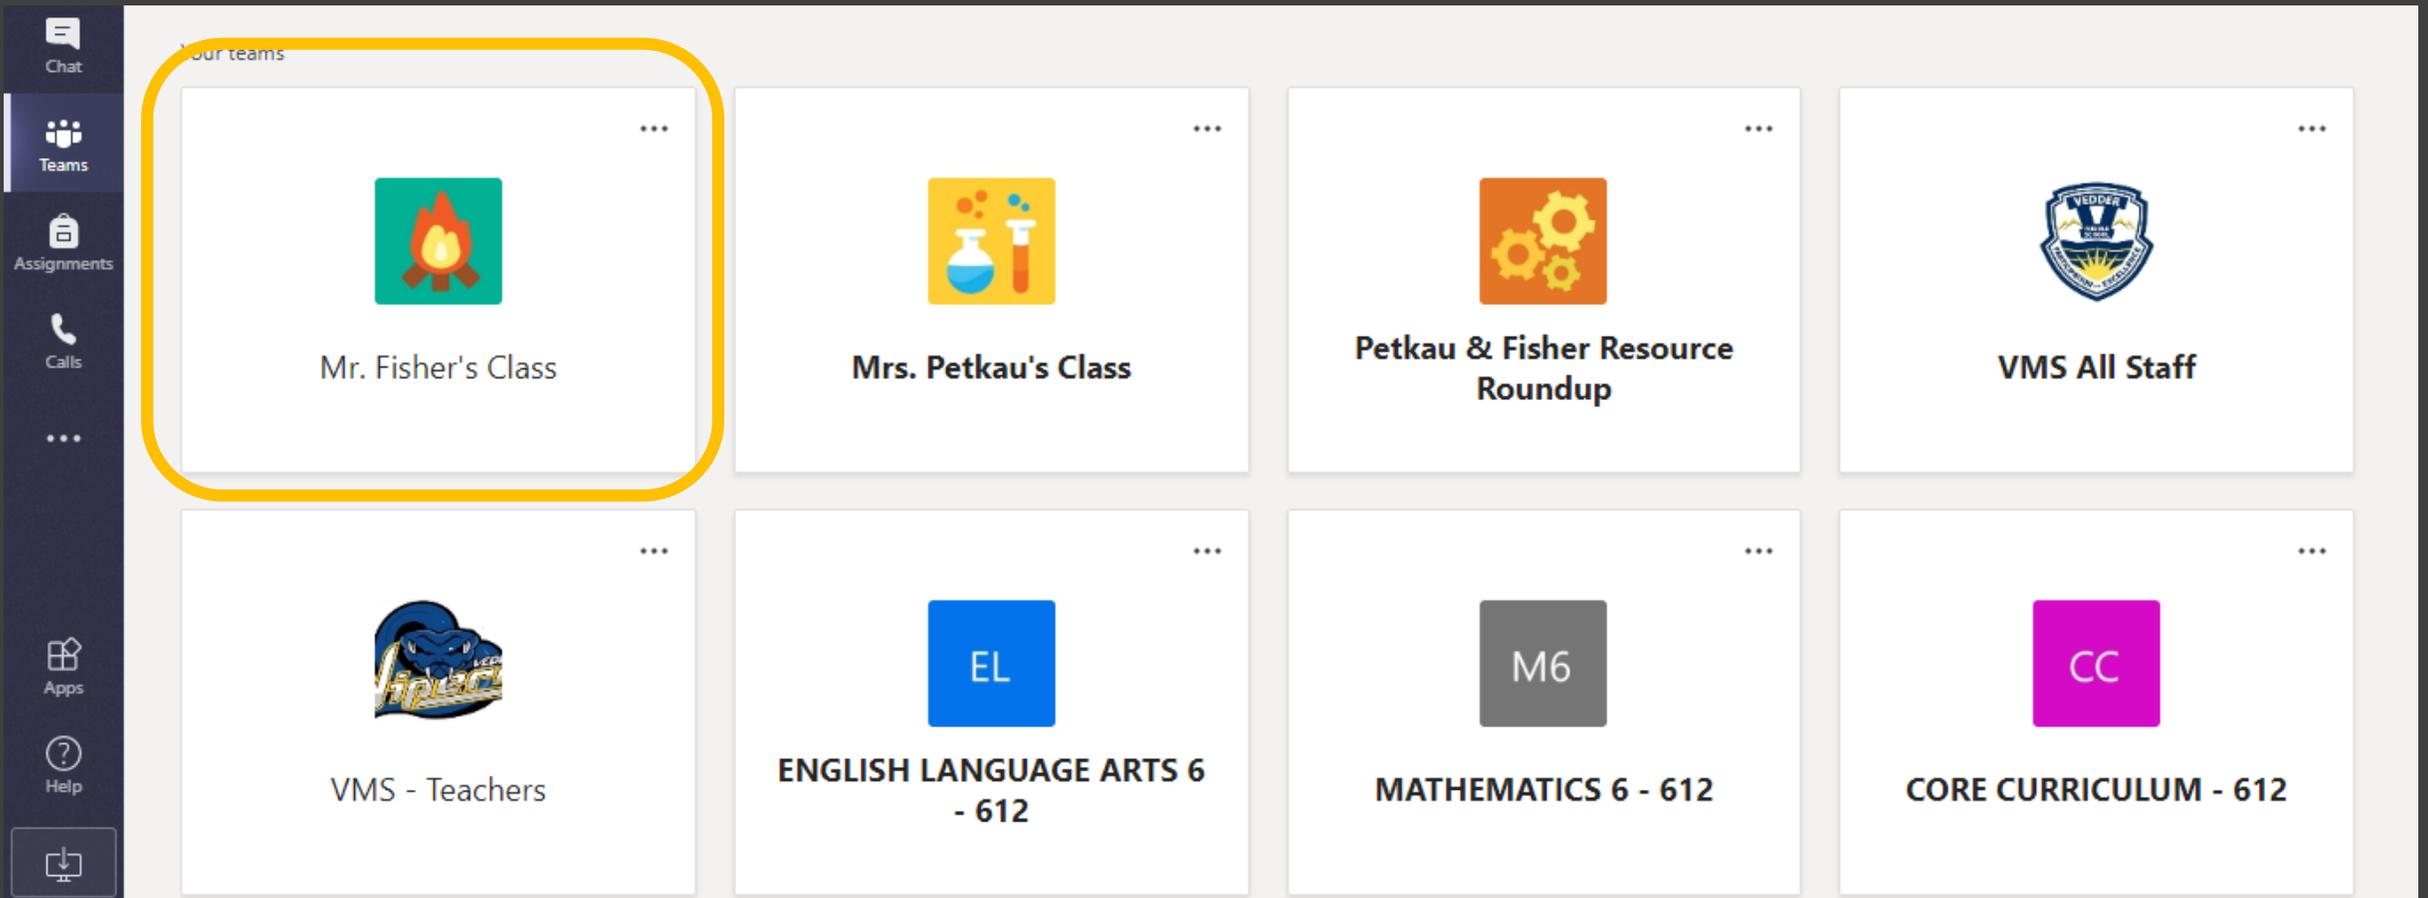

Sign in to your School District #33 Office 365 account.

Step 4:

- Once you have logged in, you can see the Microsoft applications that your child has access to.

Teams will be an important application for teacher-student communication. This is where you can find instructions as well as communicate with your teacher in a virtual classroom environment

Step 5:

- Click on the team that your teacher (or the district) has set up for your child.

Step 6: Explore

The screenshot displays the Microsoft Teams interface for a classroom named "Mr. Fisher's Class". The left sidebar contains navigation options: Activity, Chat, Teams, Assignments (highlighted with a yellow circle), Calls, Apps, and Help. The main chat area shows a "General" channel with tabs for "Posts", "Files", "Class Notebook", "Assignments" (circled in yellow), and "Grades". A message from the "Assignments" bot is visible, dated February 27, 2020, at 7:50 AM. The message title is "Mapleville Newspaper Assignment" and it includes a "Due Mar 13" date and a "View assignment" button. A second "View assignment" button is visible in a partially obscured message above. A green box highlights the "Assignments" section of the chat, and a green arrow points from a text box to this section. A yellow box highlights the "Assignments" button in the sidebar and the "View assignment" buttons in the chat messages.
